SPACE TO LEARN

MISSION BRIEF

Learning at Work Week

“
A crew has been away too long and the world they launched from has changed.

This mission is not about going somewhere new, it's about learning how to navigate a world that has moved on.
”

MISSION OBJECTIVE

Activate curiosity.
Expand capability.
Support continuous learning across teams.

MISSION OVERVIEW

Participants take on the role of a commanding officer, navigating an uncertain journey through learning.

Through a guided “Space to Learn” quest, participants will:

- Rebuild their ability to navigate change
- Explore curated learning content
- Build practical knowledge
- Apply insights directly to their work

MISSION MAP

No fixed route. Multiple learning pathways are available.

PRE-LAUNCH CHECKLIST

Before launch, confirm the following:

- Share the mission with your teams and friends
- Mark out time to participate
- Visit our [webpage to discover resources](#)
- Sign up for [our event on 19th May](#)
- [Register an account](#) to start the Quest on 18th May
